

Metro Transit **NOTICE**

Kenrick Ave. Park & Ride Facility Roundabout Community Informational Open House

Thursday, June 11 – 4:00 p.m. to 6:00 p.m.

Fire Station 3
17490 Kenrick Ave.
Lakeville, MN 55044

PURPOSE:

Metro Transit and the City of Lakeville invite you to attend an Informational Community Meeting/Open House to view the proposed design for the future Kenrick Ave. Park & Ride facility and roundabout. Staff and consultants will be available to answer questions about the plans and construction schedule. The meeting will be informal – feel free to stop by anytime between 4:00 p.m. and 6:00 p.m. on June 11th at Fire Station 3 near Kenrick Ave and 175th Street.

PARK & RIDE DESCRIPTION:

The proposed concept strives to create a safe and efficient site. The project consists of the construction of a new parking structure located north of CSAH 5/50 on the east side of I-35 in Lakeville. The park and ride will provide up to 750 parking spaces and a passenger waiting area for transit customers. The structure will contain three levels of parking; one on ground level and two levels above.

ROUNDAABOUT DESCRIPTION

The planned roundabout at the intersection of Kenrick Ave and 175th Street is a traffic improvement necessary for keeping this intersection at acceptable operating levels with the introduction of the new Kenrick Ave Park & Ride user traffic.
